PV-IPEC Spring Semester IPE Clinical Day [Stop the Bleed (STB)] by NAHN WMASS

MERCY MEDICAL CENTER
DELISO CONFERENCE CENTER - MEDICAL STAFF ROOM
299 Carew Street, Springfield, MA
April 16, 2019
Session #1: 8:30 – 10:00 AM
Session #2: 10:30 – 12:00 AM

(Please arrive at least 15 minutes early)

****Students will be asked to complete a pre-test and post-test survey****

Summary & Learning Objectives: This interprofessional simulation will provide learners an opportunity to learn about what constitutes a bleeding emergency and how to best be prepared for a bleeding emergency. The training session has a lecture portion that reviews the A-B-C's of a bleeding emergencies and how to best handle them. There is a PPT and lecture series and a hands-on portion with an opportunity to learn proper compression, packing, and tourniquet application using simulation legs. This training is applicable to all disciplines, healthcare workers, and community partners alike. Once the learners have undergone the training, there will be time to discuss how to become a trainer and the benefits of being a trainer and a partner with National Association of Hispanic Nurses. Each session can accommodate 30 students. (IPEC competency: VE1&5[1])

Warning-There are graphic pictures of wounds shown

Please notify your instructor if you are unable to tolerate graphic images

Format: The sessions will include both a didactic and hands on portion. The simulation activity will be completed over a 1.5-hour period. There will be time to discuss the learners understanding and experiences with bleeding emergencies.

Event Details:
Free self-parking is available. Please car pool if possible. Certificate of attendance will be provided following the event and completion of evaluation tool.
