Pioneer Valley Inter-Profession Educational Collaborative (PV-IPEC)

MISSION: The Pioneer Valley Inter-Profession Educational Collaborative is a regional association of academic institutions and healthcare organizations whose role is to lead, develop, and facilitate interprofessional healthcare education and practice.

GOAL: The primary goal PV-IPEC is to promote interprofessional healthcare education among its member institutions.

OBJECTIVES

- A. Identify key issues related to the teaching and scholarship of interprofessional healthcare education.
- B. Compile resources to support interprofessional healthcare education.
- C. Increase participation of student involvement in interprofessional education experiences.
- D. Promote best practices in interprofessional education to healthcare academic programs and institutions.
- E. Explore and develop relationships with community partners for interprofessional opportunities.
- F. Provide faculty development on interprofessional topics.
