Pioneer Valley Inter-Profession Educational Collaborative (PV-IPEC)

MISSION: The Pioneer Valley Inter-Profession Educational Collaborative is a regional association of academic institutions and healthcare organizations whose role is to lead, develop, and facilitate interprofessional healthcare education and collaborative practice.

GOAL: The primary goal PV-IPEC is to promote interprofessional healthcare education and collaborative practice among its member institutions.

OBJECTIVES

- A. Identify and compile resources to support interprofessional healthcare education and collaborative practice.
- B. Increase participation of student involvement in interprofessional education experiences.
- C. Promote best practices in interprofessional education and collaborative practice to healthcare academic programs and institutions.
- D. Explore and develop relationships with community partners for interprofessional opportunities.
- E. Provide faculty and staff development on interprofessional topics.
