or

June 23–June 24, 2022

12:00 noon–4:00 p.m.

Virtual

No cost to participants

The Western New England University College of Pharmacy and Health Sciences offers opportunities for high school students to learn about careers in pharmacy, pharmaceutical sciences and occupational therapy through hands-on learning experiences. This day camp is open to high school students who demonstrate strong academic skills and an interest in pharmacy or the pharmaceutical sciences and/or occupational therapy.

Highlights:

- **Learn about different career paths in pharmacy and/or occupational therapy;**
- **Get tips on how to prepare for a career in pharmacy and/or occupational therapy;**
- **Hands on activities and demonstrations;**
- **Camp is free for all participants**
